Biological Sciences

- Animal Science
- Biochemistry, Molecular & Cell Biology
- Biometry
- Biophysics
- Comparative Biomedical Sciences
- Computational Biology
- Ecology and Evolutionary Biology
- Entomology
- Environmental Toxicology
- Food Science and Technology
- Genetics & Development
- Horticulture
- Immunology
- Microbiology
- Molecular and Integrative Physiology
- Natural Resources
- Neurobiology & Behavior
- Nutrition
- Pharmacology
- Plant Biology
- Plant Breeding
- Plant Pathology and Plant-Microbe Biology
- Plant Protection
- Psychology
- Soil and Crop Sciences
- Zoology

Humanities

- Architecture (2 seats)
- Art
- Asian Religions
- Classics
- Comparative Literature
- East Asian Literature
- English Language and Literature (2 seats)
- Germanic Studies
- History
- History of Art, Archaeology, and Visual Studies
- Medieval Studies
- Music
- Near Eastern Studies
- Philosophy
- Romance Studies
- Science & Technology Studies
- Theatre Arts

Physical Sciences

- Aerospace Engineering
- Applied Mathematics
- Applied Physics
- Astronomy & Space Sciences
- Atmospheric Science
- Biological & Environmental Engineering
- Biomedical Engineering (2)
- Chemical Engineering
- Chemistry and Chemical Biology (2)
- Civil and Environmental Engineering (2)
- Computer Science (2)
- Electrical and Computer Engineering (2)
- Fiber Science & Apparel Design
- Geological Sciences
- Materials Science and Engineering
- Mathematics
- Mechanical Engineering
- Operations Research and Information Engineering (2)
- Physics (2)
- Systems Engineering
- Theoretical and Applied Mechanics

Social Sciences

- African and African-American Studies
- Anthropology
- Applied Econ. and Management
- Archaeology
- Asian Studies
- City & Regional Planning (2)
- Communication
- Design & Environmental Analysis
- Developmental Sociology
- Economics (2)
- Education
- Government
- Hotel Administration
- Human Development
- Industrial and Labor Relations (2)
- Information Science
- International Agriculture & Rural Development
- International Development
- Landscape Architecture
- Law (J.S.D., not J.D.)
- Linguistics
- Management
- Policy Analysis & Management
- Public Affairs (CIPA) (2)
- Real Estate
- Regional Science
- Sociology
- Statistics
