COUNCIL OF GRADUATE SCHOOLS/CORNELL UNIVERSITY ASSESSMENT FELLOWSHIP

Congratulations on your acceptance into this program of the Council of Graduate Schools, facilitated by the Center for Teaching Excellence and the Graduate School/CU-CIRTL!

TEACHING AS RESEARCH WORKSHOP SERIES TO SUPPORT YOUR “MINI-PROJECTS”

DATES: 2/14, 2/21, 3/7, 3/21, 4/11, 4/25, 5/16
TIME: 1-3pm (tentative)
LOCATION: 282 Caldwell Hall

February 14: WHAT IS TEACHING AS RESEARCH (TAR)?

How might I think about my teaching as research project? What are some methodological possibilities? What do I need to do as far as the IRB is concerned? What are some sources and databases to help you examine the research that has already been conducted in this area?

February 21: QUANTITATIVE METHODOLOGY AND SAMPLE TAR PROJECT

A previous teaching as research student discusses his or her Teaching as Research project on scholarly sources and quantitative methods and some overview of statistical considerations. What are some quantitative strategies I might use? How might I conceive of my project?

March 7: QUALITATIVE METHODOLOGY

What qualitative research methods make sense to use in TAR? What qualitative research methods might I consider and how would I use them?

March 21: SURVEY DESIGN AND HOW TO ANALYZE DATA THAT YOU COLLECT

How to design simple surveys to use in TAR and qualtrics. How to do qualitative and quantitative data analysis.

April 11: DATA ANALYSIS (continued) & WRITE UP

April 25: FINISHING TOUCHES ON PROJECT WRITE UPS & POSTER DEVELOPMENT

How to create a great poster for the symposium.

Must have poster drafts completed by April 28 for peer review and final, edited version submitted to Kimberly Williams by May 2 for printing. We will cover the cost of printing posters.

May 16: CLASSROOM RESEARCH AND TEACHING SYMPOSIUM

Morning poster presentation in room 423 of ILR Conference Center (King-Shaw Hall), lasting approximately 1 ½ hours.
